

Opswell

Mutual Non-Disclosure Agreement - outline (not executable)

Status

- This is a topic outline for procurement intake - not a signed NDA.
- Opswell legal entity name, address, and signature block are omitted on purpose.
- Ask hello@opswell.ai for W-9 / entity details and an executable mutual NDA.

Parties (to complete)

- Disclosing / receiving: Opswell [legal entity TBD] and Counterparty [legal entity].
- Effective on the date of last signature; term typically 2-3 years for confidentiality obligations.

Purpose

- Evaluate a free AI Value Snapshot and potential automation / finance engagement.
- Protect process artifacts, financials, system access details, and commercial terms.

Standard terms (to finalize with counsel)

- Mutual confidentiality; use limited to the Purpose.
- Exclusions for public, independently developed, and legally required disclosures.
- Return or destroy Confidential Information on written request.
- No license; residual knowledge carve-out optional.
- Governing law / venue - party preference or Delaware.

How to proceed

- Prefer your paper? Email hello@opswell.ai - we work from yours or ours.
- Executable NDA available before any system access or artifact share.
